Be Modern. Connect your house to the sewer line

Land is precious and scarce. Why waste it with a septic tank when you can connect your house direct to the sewer line.

Under the Lilongwe Water and Sanitation Project you can connect your house to the sewer line if you are in the following areas: Area 1, Area 47 (sectors 3&4) and Area 49 (new and old Guliver).

Be Modern. Connect to the sewer line now. For free.
